

Guidelines and Reminders

The following guidelines and reminders were developed to ensure you and your canine companions have a fun, safe time at the event.

- All dogs must be accompanied by an adult 18 years or older. Maximum of two dogs per adult. Kids may not be solely responsible for any dog and should be closely supervised.
- All dogs must wear a current rabies tag and ID tag. Bring vaccination records if you do not have tags. Tags/records will be checked upon arrival, we cannot call your vet in lieu of records!
- For canine safety, this is an off-leash-only event; owners are expected to use leash for arrival and departure only.
- Dogs in heat, puppies under four months or who do not have final shots, aggressive dogs and dogs who are sick may not participate in this event. Owners are liable for their pet's behavior and are responsible for keeping their dogs under control and within event boundaries. Participate at your own risk. The Town is not liable for the actions of your pets.
- Pool chemicals have been neutralized for the comfort of your pet. **The pool is NOT suitable for human swimming and will not be allowed.** Please remember that this event is for the dogs, any human wading takes up pool space for them and will be monitored and restricted by event staff.
- Although we have staff patrolling the fields for cleanup purposes, owners are responsible for picking up after their own dogs; disposable bags are available on trash cans and throughout the event area.
- The owner of any dog displaying mounting behavior should immediately leash and remove the dog from the situation.
- No digging allowed! Please notify staff of any holes.
- A small dog area is available in the ball field.
- Lost dogs will be brought to the announcer's booth.
- The dog wash area will have hoses and bins of water to rinse off your dog. Please note the entire pool deck may be very slippery due to the amount of water and soap buildup.
- "People food" is available for purchase at the pool concession stand.
- Barker Days won't be rescheduled due to inclement weather. Refunds will not be issued.
