Daily Procedures

Arrival/Departure

Upon arrival to camp each morning parents are asked to utilize the east entrance to enter the Parker Fieldhouse. Check in/out will be located in the camp room on the mezzanine level. Campers enrolled in the Day Camp must arrive *no* earlier than 7:00 a.m. and be picked up *no* later than 6:00 p.m. or their account will be charged a late fee of \$10 per 15 minutes.

Attendance

Sign In/Out

An authorized adult will be asked to check the camper(s) in/out each day electronically on the camp iPad. If the staff is unfamiliar with the authorized adult, a photo ID must be shown in order for the child to be released. Our sign in/out procedures are intended for the safety of the campers and others.

Late Drop Off

In the event of a late arrival and the camp room is not occupied, please check in at the camp office to sign in your camper. If campers are off site at another Town facility or on an excursion, parents are responsible to locate the campers. Please see Fieldtrip information for more detail.

Late Pick Up

If a child is still present after the designated pick up time, the staff will attempt to contact parents and/or other authorized adults listed to pick up the camper within the half hour. Once the half hour has past and an authorized adult has not been located, the staff will call Social Services and the Police.

Unauthorized Adults

Campers will only be released to the adults listed on the authorized pick up list. If an unauthorized adult attempts to pick up a child from camp, the parents and police will be contacted. The unauthorized visitor will be asked to leave the premises.

Identifying Where Children are at all Times

Campers will be organized into groups based upon age with specific staff assigned to each group. Roll call will be conducted by the counselors at regular intervals throughout the day. No one is allowed to leave the camp property at any time unless accompanied by a counselor and cleared with the Camp Director.

Meals & Snacks

Participants are required to bring a **healthy and nutritious sack lunch**, drink and two snacks. Due to the size of our camp in the summer and school breaks, campers will not have access to a refrigerator or microwave. We also recommend a water bottle labeled with their name but water will be available at all times. The Fieldhouse has an on-site Café which will offer a specific menu for our campers. This list of food may change but will always be posted at the Fieldhouse. If a camper does not have a lunch, camp staff will provide lunch and bill the parent/guardian. Campers will not be allowed to use the vending machines during camp.

Please be aware that this is an allergy-aware facility. Any food allergies or special accommodations that need to be made should be clearly specified on the medical release form and discussed with the Camp Director.

Personal Belongings

Each camper will be provided with a safe place to keep belongings. We recommend participants bring sunscreen, hat and sunglasses. **Campers should be dressed in appropriate athletic clothing and shoes.** Please, label all personal belongings to help us make sure to return items from our lost and found to their rightful owners. **We will clear the lost and found on the first of the month and donate all items.**

Campers no longer have access to any electronic devices, games and phones during camp hours including scheduled breaks and lunch. If a camper is found violating these policies, the device will be taken away and held in the camp office awaiting parent pick up.

If the camper chooses to bring personal items or money it is done at their own risk. Staff is not responsible for any damaged, misplaced or stolen items. Campers' personal belongings may be subject to search.

Sunscreen

Parents must provide sunscreen with a minimum SPF of 15. Please label the bottle with child's name. Sunscreen will not be applied to any broken skin or if a skin reaction has been observed. **Parents are asked to apply sunscreen to their children before arrival at camp, especially on fieldtrip and pool days, to start the protection process.** Counselors will supervise sunscreen application to children 15-30 minutes prior to any outside activities. Counselors may help campers apply their sunscreen only if permission has been granted by parents/guardians. In the event that a camper forgets to bring his/her sunscreen, the child may use (only if the sunscreen waiver form has been signed) the designated camp sunscreen of Coppertone Kids, Equate or Rocky Mountain SPF 50.

Movies/Television/Videos

Movies may be shown or included as part of a local fieldtrip or special occasion. Campers will view only G rated or parent approved PG movies. Movie titles will be posted prior to showing. Video games may be used on occasion and during special events.

Fieldtrips

Weekly agendas detailing our scheduled activities and fieldtrips will be posted on our camp website. *Scheduled activities and fieldtrips are subject to change when necessary.*

In order to participate, campers must have a completed and signed permission slip (included in the registration packet). Two excursions and two to three walking fieldtrips may be planned per week. Excursions are planned in advance and will be posted on the monthly calendars which can be found on the camp website and at the front desk of the Fieldhouse. Camp t-shirt and swim shirts must be worn in order for campers to be allowed to participate in fieldtrips and swim days. No exceptions!

Local fieldtrips are generally within walking distance from camp. We reserve the right to modify scheduled trips when deemed necessary for reasons such as availability, inclement weather, or hazardous travel conditions.

Fieldtrip Supervision

The staff will conduct roll call and periodic head counts throughout the day. A cell phone will be with the Camp Director and counselors during all fieldtrips. In case of an emergency where you need to talk to the camp staff, please contact the Fieldhouse front desk staff at (303)-805-6300 and they will have a staff member return your call. A detailed itinerary and a list of all children and staff on a fieldtrip will be kept in the camp office.

Transportation

Transportation is provided by an independent bus company, or the Douglas County School District. All bus drivers hold a current Commercial Driver's License and are trained in bus safety and emergency procedures. Campers are expected to adhere to all bus rules:

1. Students should always conduct themselves in an orderly manner and obey all bus safety rules.
2. All students are under the jurisdiction of the driver while aboard each bus.
3. The driver is responsible for seating arrangements on each bus.
4. Students will remain seated while the bus is in motion.
5. Students must refrain from loud talking, horseplay, and throwing objects on or from the bus or doing anything that will detract from the driver's attention.
6. Anyone damaging a bus will be responsible for restitution.

8. Smoking, chewing gum, eating or drinking on the bus is not permitted.
9. It is the responsibility of the driver and each rider to help keep the bus clean.
10. The use of profanity on the bus will not be allowed.
11. Students will be picked up and delivered at their regular designated site each day.
12. Students are expected to abide by the Douglas County School System Student Conduct Behavior and Discipline Code. This information can be found at www.DCSDK12.org.

Staff is responsible for the supervision of campers while on the bus. Staff to camper ratios are maintained at all times.

Transportation – Town of Parker Busses

For local trips and smaller groups, the Town of Parker Busses will be used to transport campers. Each camper is required to be restrained in an individual seat belt at all times during the trip. Two or more children will never be restrained in one seat belt. All of the Town of Parker's Bus drivers take a required "Bus Safety Training Program". In addition to the safety training program, all Town drivers are screened and their Motor Vehicle Records are checked annually to ensure they meet the Town's driving criteria.

Late Arrivals during Fieldtrips

If a camper arrives after the group has left the Fieldhouse, it is the parent's responsibility to transport their child to the designated fieldtrip location. Upon arrival, the parent must locate the camp staff and sign them in. If we are offering a stay back option on that day you will be able to have your camper join that group and not participate in the fieldtrip, however there will not be any refunds given for missed fieldtrip.

Camper Rules

Parents, please review the following rules with your camper(s):

1. Always listen to camp leaders and adults.
2. Always respect others and maintain individual boundaries.
3. When you get to camp put all your belongings in your marked area.

Lost Children

In the event a child is determined lost or missing, the staff will conduct an extensive search of the Fieldhouse, surrounding areas and fieldtrip locations. A front desk employee will announce “May I have your attention. Would (Child’s Name) please report to the front desk.” The director will immediately notify the police, parents/guardian of child, and the Department of Human Services.

Closing Procedures

Camp administration will conduct a thorough walk through of all venues utilized by campers including restrooms. They will review daily attendance logs to ensure that all camp participants have left for the day. Counselors and directors will only leave after the last camper has been picked up by an authorized adult.

4400 Castleton Court
Castle Rock, CO 80109
(303) 688-4825

If you as a parent have any reasonable cause or suspect that your child has been subjected to abuse or neglect during child care, please contact the Douglas County Human Services at the address above.

Administering Children's Medicine

Nurse Practice Act

Please notify the Day Camp Director, if during camp your child will need any type of medication. Parents need to meet with the Camp Director in advance to set up a Health Care Plan specific to your child. Only Camp Administration is authorized to administer medication. Confidentiality of the child will be maintained at all times. All medications will be kept in a locked box away from children and medication is given according to the delegatory clause of the Nurse Practice Act.

Medications

Camp staff cannot dispense over the counter medicine. We can dispense prescription medications provided the following conditions are met:

- written authorization from health care provider
- parental written consent
- medication in the original labeled container and properly labeled
- All medication must be brought to the camp office to be stored

Inhalers and EpiPens:

Children requiring accessibility to inhalers and EpiPens will be allowed to have these items close at hand. We require that these items be given to the counselors who will be with these campers all day and can ensure that the appropriate child is using these tools correctly.

Parents/guardians **MUST** complete the necessary health forms for Inhalers, EpiPens and emergency Benadryl. These medicines must be given to the Camp Director before the start of camp. They must be received with the original manufacturer label still intact on the box and also on the individual inhalers. In addition, the child's name must be listed on the outside of the carton, the expiration date listed, and the required dose highlighted clearly.

Illnesses, Accidents, and Injuries

Parents/Guardians will be notified immediately when a child becomes ill. The sick child will be provided a quiet comfortable area to rest until an authorized adult arrives.

Please contact the Camp Director immediately, if your child has been diagnosed with a communicable disease. The Camp must notify parents and the health department of any contagious diseases.

Our staff is CPR/First Aid/AED certified.

If a camper receives a minor injury (scraped knee), the staff will administer first aid. In the event of major emergencies, 911 will be called immediately and the parents will be notified. All injuries are documented and will be reported to parents at the end of the day.

COUNSELOR IN TRAINING (CIT) PROGRAM

Counselor in Training Opportunities

The Fieldhouse Day Camp's Counselor in Training (CIT) program is designed to teach selected youth to become future leaders in their communities. Participants will learn life and job skills through hands-on experience and training in our leadership program. Those chosen for the CIT program will be approved by the assistant camp director prior to each session.

- This year, we are accepting participants ages 14 to 15.
- The program runs from June 8 to July 17. Please see attendance requirements below.
- The program is offered at the reduced rate of \$20.00 per day, plus the cost of Fieldtrips and \$5.00 if attending pool days.
- There are no other discounts offered on this program.
- Each CIT will be required to attend 1 field trip and 1 swim day. If space allows they will be able to attend additional Fieldtrips. CIT's should not expect to be with the older campers; they will be working solely with the younger camp groups during their time at the Fieldhouse.

Program Information

The CIT program will require participants to commit to a full six-week time frame; participants must attend camp on Monday each week for their group training session in addition to a minimum of one field trip day and one swim day over the course of the session. Interested candidates must be able to commit to five out of the six trainings in order to be considered as a participant. We request that CIT's arrive by 9 a.m. on their registered days, unless otherwise noted for Field Trips. Participants are welcome to participate in additional weeks of summer camp at the CIT rate plus cost of fieldtrips. Any days during the school year will be charged at the full camper rate.

All CIT's will go through a weekly training program designed to prepare the participant for future employment and leadership positions. This training will teach them general leadership skills and the basics of being a day camp counselor, including the development and implementation of camp activities. CIT's will become familiar with the staff and camper policies and procedures for the Parker Fieldhouse Day Camp.

CIT's are expected to be positive role models for their peers and other campers. They will have both increased opportunity and responsibility as they assist the counselors and work with the younger children. Any inappropriate behavior is grounds for dismissal from this leadership program. Counselors in Training are registered day camp participants and are therefore counted in our camper to counselor ratio as a camper. They will be supervised by a senior counselor and the camp administration throughout their six weeks with Day Camp. All participants in this program must comply with state requirements and will need to have a complete registration packet with all waivers signed in order to participate. All CIT's will need to provide a copy of their current immunization record for our files.

Emergency Drills and Evacuations

Our staff members are thoroughly trained in the established safety procedures. We will periodically practice and document fire and tornado drills. Evacuation routes are outlined in this manual for all spaces utilized within the Fieldhouse.

Evacuation Procedures for Person with Special Needs

Those campers requiring special assistance will be assigned a specific staff member at the beginning of each camp day that will assist the camper with special needs during emergency situations.

Fire/Gas

Building alarms indicating fire and evacuation will sound. Additionally, a front desk employee will page the building and announce “May I have your attention, this is an emergency, please remain calm and walk to the nearest exit and leave the building immediately.” This will indicate to our staff and campers to evacuate the building.

Campers will be evacuated from the building and led by a staff member to the designated safe area A or B depending on location. Safe area A is located at the West entrance of the building next to the Fieldhouse sign. Safe area B is located at the East entrance next to the Fieldhouse sign.

The director will verify that all campers and staff are out of the building by conducting a search of the facility and roll call. The facility will not be re-entered until the appropriate authorities give clearance.

If the facility is deemed unsafe, the children and staff will be taken to Oralabs, the designated safe haven for the camp, located across Plaza Drive to the north. Local authorities and the Camp Director will coordinate transportation to the safe shelter. Campers must still check out with a counselor before leaving.

Severe Weather / Lightening / Tornado

If a tornado warning is posted for Douglas County, a front desk employee will page the building and announce “May I have your attention, there is a tornado warning for this area. Please walk immediately, as directed by staff, to safe areas to take shelters.”

We have deemed the team rooms located on the main level of the Fieldhouse as the safest area in the event of a tornado. Campers will be led to team rooms C, D, E and F for shelter. Roll call will be taken to verify everyone is accounted for. Once the appropriate authorities give clearance, campers will return to their regularly scheduled activities.

In the event of a lightning storm or other severe weather, the front desk will make an announcement “May I have your attention, we have received information of severe weather in the area, please stay away from all windows in the building.” Campers will be directed by staff to a safe location. If campers are off-site on an excursion or at another Town facility, they will follow the safety procedures as determined by each individual facility.

Bomb Threat

After being notified by the facility that there is a threat, staff will immediately take roll call to verify everyone is accounted for. Campers will wait for instructions from staff.

Hazardous Materials and Suspicious Odors

If someone suspects that a harmful substance has been released or spilled, staff must first secure the space surrounded the substance and evacuate the campers from the area. MSDS books are located at the front desk in the first upright cabinet. Staff will call 911 and campers will be moved to Oralabs, located north of the Fieldhouse, where they will remain until emergency response personnel gives clearance to return to the building.

Gunfire / Robbery / Theft/Lockdown/Shelter in place/Active Shooter

1. Campers should follow direction of the staff to the nearest and safest location either inside or outside the building.
2. If threat requires a lockdown or shelter in place, staff and campers will move to the nearest securable interior room(s), Team room, office, closet or storeroom to shelter-in-place, closing and locking or barricading all doors and windows, turning off the lights, remain quiet and keeping out of sight until emergency personnel or other authorized person opens the door.

Reuniting campers with families

In the event that our camp needs to leave the building and we are not able to return our first evacuation site is Oralabs located north of the Fieldhouse. If we need to go further or if Oralabs is not available, we will send an email out with change of location or you can call the 303-805-6300 and there will be instructions given on where the camp has moved and pick up directions.
